

ST AGNES SURGERY NEWS LETTER

9th September 2011

Registrars

We have said good-bye to Dr Pallav Verma and Dr Annabel Sturdy, although Dr Verma is still around and has been doing some locum work for us. Dr Sturdy is continuing with her career working in Mount Edgecumbe Hospice.

Two new registrars started in August, Dr Vicky Barnard and Dr Anna Harrold. Dr Harrold is actually on leave and will be starting properly in September. Dr Barnard is full-time and Dr Harrold part-time.

Flu Clinics

The flu clinics will run on Saturday morning at St Agnes Surgery on:

1st October from 8.10 to 12.00
15th October from 8.10 to 12.00

Tuesday afternoons at Mount Hawke Surgery:

4th October from 1.30 to 5.00
18th October from 1.30 to 5.00

All these clinics are by appointment only so please call beforehand. If you are unable to attend any of these clinics, it is possible to be seen during normal surgery hours by appointment with the nurse.

Patient Participation Group

We are in the process of setting up a patient participation group and the first preliminary will be arranged for the end of September. We have a group of interested patients who will act as liaison for any patients who feel they can contribute to the smooth running of the practice and put forward suggestions and ideas. We will keep you posted.
