

A Possible Carers Support Group in St Agnes.

Cornwall Carers Service is supporting the development the new St Agnes Carers Group. If it can find enough members to start up, the Carers Group will be open to all unpaid carers in the area enabling them to offer each other support, exchange information and to access funds for training or outings. The group plans to meet monthly in the Miners and Mechanics. The group is seeking more members and also volunteers who would like to help the members run the group. If you would like more information about the group please contact Sue McKerrow who is a Carers Support Worker working for the Cornwall Cares Service on 07714081793. If you would like to access individual support or information about services and entitlements that may aid you in your caring role please ring the Carers Service Helpline on 01872 266383.
